Sound insurance solutions for equine owners

Chartis understands the dedication that comes with owning, riding and competing horses. Equine ownership can make your insurance needs more complex, and our Private Client Group thrives on safeguarding your successful, passionate lifestyle.

It happens in a split second—your horse is loose.

Whether it occurs on your property, while boarded at a training facility or on a track, a loose horse can lead to injury or property damage.

Are you confident that you and your family are fully protected from an insurance standpoint?

Risks related to horse ownership cannot be adequately addressed on one policy alone. At Private Client Group, our various products provide coverage features with your needs in mind. Here are just a few highlights of our offerings:

Equine liability

Secure worldwide liability coverage for bodily injury and property damage caused by owned or leased horses. You are protected no matter where you are training, racing or transporting your horse.

Homeowners

For those who keep horses on their property, our homeowners policy provides broad coverage for private barns, fencing, outbuildings and equipment.

In addition, look to Chartis for added protection, such as:

Travel and accident

As you travel across the country—or even the world—rest assured that you are covered in the event of a trip interruption, cancellation, illness, injury or medivac service.

Automobile

Should your personal vehicle or horse trailer break down, you have access to roadside assistance and towing for covered vehicles and trailers.

Collections

You can preserve virtually anything—from sporting art of your majestic animals to trophy collections—with our private collections insurance.

Equine mortality and medical coverage

You may also wish to insure your horse(s) by adding mortality insurance or major medical coverage, which would reimburse you for veterinary expenses in the event of an injury or illness.
